### Beautify the Town.

A clean place, however humble, is a lovely place, and now is the time of the year for all people to clean up their premises, thus on the whole greatly beautifying the town or country. At each place there is a certain amount of cleaning necessary at least once a year. There are trees and shrubbery to set out, yard and garden fences to repair and straghten up, out houses and fences to whitewash, residence to paint trees, to prune and a hundred other things not mentioned, all of which when properly looked after, will add double to the appearance of your place.

Begin now and set things right and set an example for your neighbor, besides you will feel better and make your wife and family feel better, and make them think better of you.

### The Right Name is DeWitt.

DeWitt's Witch Hazel Salve cools, soothes and heals cuts, burns, boils, bruises, piles and all skin diseases. K. E. Zickefoose, Adolph, W. Va. says: "My little daughter had white swelling so bad that piece after piece of bone worked out of her leg. DeWitt's Witch Hazel Salve cured her." It is the most wonderful healing salve in the world. Beware of counterfeits. Sold by M. Rose.

### Good for the Pen.

Marshal Johnson is one of a number of witnesses attending Mt. Sterling Circuit Court as witnesses against Wad Hall of color. Hall a short while back sold some corn in Clay City at some close figures and it seems that said Hall had been stealing some of this corn from his employes, Monarch Milling Co., Mt. Sterling, but was arrested by them soon as they discovered his dishonesty. Hall seems to stand a fair showing for a special trip to Frankfort as a consequence.

### A Tried and True Friend.

One Minute Cough Cure contains not an atom of any harmful drug, and it has been curing Coughs, Colds, Croup and Whooping Cough so long that it has proven itself to be tried and true friend to the many who use it. Mrs. Gertrude E. Fennor, Marion, Ind., says: "Coughing and straining so weakened me that I run down in weight from 148 to 92 pounds. After trying a number of remedies to no avail, One Minute Cough Cure entirely cured me." Sold by M. Rose.

### Cure for Balky Horse.

"It is the simplest thing in the world to start a horse that has balked," said a well known horseman the other day. "You knew that a horse or mule can not concentrate his mind on more than one thing at a time. When he balks he has his mind set upon that particular subject and you couldn't budge him in a hundred years unless you changed that line of thought. Simply drop a small wad of paper into his ear and he will move right along. It gives him the job of thinking how he is going to get the paper out of his ear and forgets that he has balked."

Bowling Green is to have a large putty factory.

### Paid Fine.

In Mason county not long since the American Book Company was fined \$10,000 for selling school books at excessive rates. The company has paid the fine, and refused to make new bond. Supt. of Public Instruction Jas. H. Fuqua has ruled that whereas this company has failed to comply with the law in this county, it releases all contracts held by the company with other counties previous to the general school book bill passed at the last session of the Legislature. The advantage of counties getting rid of these contracts are that they were made at a higher rate for school books, than the State contract calls for.

Powell is one of the unfortunate counties with an old contract, so the parents of children in the county may feel fortunate that the contract is annulled and that this rich school book monopoly is the loser besides having the ten thousand dollars.

### Won a Name of Fame.

DeWitt's Little Eearly Risers, the famous little pills, have been famous by their certain yet harmless and gentle action upon the bowels and liver. They have no equal for biliousness, constipation, etc. They do not weaken the stomach, gripe, or make you feel sick. Once used always preferred. They strengthen. Sold by M. Rose.

### Died from Jumping the Rope.

Jumping or skipping the rope is a delightful play with school children in general all over the United States, but it sometimes results fatally. A few weeks ago we noted the prostration of a Daviess county school girl while skipping rope, and this week comes the report from New York that a little lass in that city died instantaneous after jumping 218. It seems that teachers should make a rule prohibiting such abuse of the sport.

### Forget About Your Stomach.

If your digestion is bad the vital organs of your body are not fed and nourished as they should be. They grow weak and invite disease. Kodol Dyspepsia Cure digests what you eat, cures indigestion and all stomach troubles. You forget you have a stomach from the very day you begin taking it. This is because it gets a rest—recuperates and gradually grows so strong and healthy that it troubles you no more. E. L. Babcock, Amherst, Minn., says: "I have taken a great many remedies for indigestion but have found nothing equal to Kodol Dyspepsia Cure." Kodol digests what you eat, cures Indigestion, Dyspepsia, Sour Stomach, Belching, Heartburn and all Stomach Troubles. It's preparation is the result of many years of research. Sold by M. Rose.

### A Guaranteed Cure For Piles.

Itching, Blind, Bleeding or Protruding Piles. Druggists refund money if PAZO OINTMENT fails to cure any case, no matter of how long standing, in 6 to 14 days. First application gives ease and rest. 50c. If your druggist hasn't it send 50c in stamps and it will be forwarded post-paid by Paris Medicine Co., St. Louis, Mo.

### PAPOOSE POPCORN

A New Seed Discovery for  
FORAGE, POULTRY, POPPING

A subscriber to the Southern Agriculturist secured the original seed from an old Indian in Northwest Texas. After experimenting with it seven years he wrote that paper: "With good ground and care it will make from 50 to 100 bushels to the acre, and planted thick and cut stalk and all it will make more feed and better feed than anything I ever saw. The old Indian said poultry fed on it would never have the cholera. I have not lost a fowl with cholera since I have been raising it. It also pops beautifully." This article brought hundreds of requests for seed, and now only a few bushels are left. Send 10c for a 3 months' trial subscription to Southern Agriculturist, 39 C. P. Bldg., Nashville, Tenn., and you will get 100 seed by return mail, also details of \$50 prize seed-growing contest.

## Upholding Local Option.

Over at Flemingsburg, a local option town, the physicians have signed an agreement to only write prescriptions for bona-fide patients and when it is of actual necessity. Carlisle, another local option town, has passed an ordinance compelling physicians to keep a record of all prescriptions given for liquor, the quantity prescribed, a diagnosis of the case, date on which it was given, and the druggist filling same to keep a like record, both open to inspection of the chief of police, police judge, mayor and grand jury, under penalty of not less than \$50 nor more than \$100 fine for each offense.

As Clay City will be a local option town it behooves the people here to study the merits of every proposition to enforce the law, and it seems to us that the two actions mentioned above would be well if enforced, while we have no physicians or druggists in our city now that will violate the law, there will be others in town after the saloons are closed, and it is well to begin in time to prevent an evil.

## No Help for Those Who Need it.

In our neighboring counties of Clark and Montgomery they have a number of rural route mail carriers in all parts of the counties. They also have the best roads so their people can easily go to town for their mail, and they also have numerous postoffices supplied by daily mail, but up in Powell it is quite different all around. We haven't the good roads, nor we haven't the rural mail routes. Thus it seems to be the policy of Uncle Sam to help those who need the help the least. If we had the good roads that either of these counties have, we would care nothing about the free delivery of mail, and if we had free delivery of mail through the county, we could do much better without the good roads. We can't get rural free delivery of mail because our roads are so bad, when in fact that one reason is why we need the service. Peculiar, but we are used to peculiar things or it might hurt us pretty bad.

## Had to Yield to Right.

The Kansas Legislature has been forced to pass a bill for a separate school for white and black children at Kansas City, Kan., great bitterness having been engendered there by the killing of a white boy by a negro boy. Schools in Kansas are mixed, and in signing the bill the Governor said it "looked like a backward step," but he yielded to "local conditions."

As at Kansas City so are the conditions in all states where

the two races are schooled together to some extent at least.

Wonderful! Roosevelt is in Oklahoma hunting. He has killed a rattlesnake and a jack rabbit or two. Powell county boys can beat that before they are ten years old.

## Do You Want an Education?

### SOME FACTS ABOUT THE CLAY CITY GRADED SCHOOL.

Clay City is located on the L. & E. railroad, between Lexington and Jackson, Ky. The Graded School is the pride of the city and is in a prosperous condition, having an enrollment of about one hundred and fifty pupils.

Strict discipline is enforced, but it is tempered with mildness and kindness. Our course of study will compare favorably with that of any graded school in the State. We strive to obtain thoroughness, however, rather than a smattering knowledge of many things; to be deep, rather than broad. We shall undertake no patent process by which it is supposed that untutored boys and girls may be put into a cramming machine and speedily turned out well educated men and women.

Education is the product of time and hard study. If you wish your children to be well educated, you should give plenty of time in which to train them. We will teach your little children and give them the benefit of careful training in the elementary branches, under an experienced teacher, thus laying the foundation of a good education; we will take pupils in the preparatory department and give them thorough instruction in the ordinary branches of an English education, and we will take more advanced students and train them in the higher studies of the regular college course, including Higher Mathematics, Sciences, French and English Literature, and will furnish them with superior facilities for instruction in Vocal and Instrumental Music.

## Suffering

Will Not Help Your Disease, but Will Weaken Your Nerves.

Folks who think it is better to bear pain than soothe it—are wrong. Old-fashioned doctors used to say it was better, because they had nothing with which to ease pain but dangerous, heart-paralyzing drugs.

But now, that a safe remedy has been found, Dr. Miles' Anti-Pain Pills, it is wrong to suffer, for nothing can be gained but weakened nerves.

A safe rule to remember is: When in pain, take an Anti-Pain Pill.

This will soothe your quivering nerves. Dr. Miles' Anti-Pain Pills relieve pain by restoring the natural secretions, in which they differ from opium and similar narcotic drugs, which relieve pain by checking the action of the glands.

They are sure and harmless, and are the latest medical treatment for the cure of Headache, Neuralgia, Backache, Rheumatism, Dizziness, Toothache, Stomachache, Menstrual (Monthly) Pains. Also nerve irritations like Sea-Sickness, Car-Sickness, Sleeplessness, Indigestion, etc.

Pleasant to take, quick in results. "I have used Dr. Miles' Anti-Pain Pills for sick, nervous headache, and have received the best results. I heartily recommend their curative properties, for they are successful."—REV. RAY A. WATROS, D. D., Iowa City, Ia. Sold by druggists, at 25c. Money back if first box does not help. Never sold in bulk.

## BEAUTIFY YOUR HOME WITH KINLOCH PAINT

Important Memorandum—The price of the most important thing in painting is a good paint. A good paint is the life of your home, and the sure way to get good paint is to buy it fresh and pure from the dealer's barrel, not from the ready-mixed paint can. The paint that is ready to mix with linseed oil, gallon for gallon, is KINLOCH PAINT, and we recommend its use for every good reason we know.

A small investment in paint adds greatly to the value and beauty of your property and makes you a "good neighbor" by making a good neighborhood. Good painting is one of the best investments and pays big returns in improved values. It's a saving, not an expense. But when you paint—buy only

### Frightful Suffering Relieved.

Suffering frightfully from the virulent poisons of undigested food, C. G. Grayson, of Lula, Miss., took Dr. King's New Life Pills, "with the result," he writes, "that I was cured." TO THE PUBLIC:

I desire to express my opinion in regard to Dentistry. I have had five different skilled dentists to extract teeth for me, but the work of Dr. BERTRAM SMITH excelled all others. He extracted nineteen teeth for me in six minutes, and with less pain than ever before.

### TO WHOM IT MAY CONCERN:

I have had five different doctors try to extract my teeth after breaking them they would tell me that they could not be pulled.

Expecting to hear the same old story, I went to Dr. BERTRAM SMITH, the Clay City Dentist. He extracted six without any pain to me, and at reasonable price. As he is the best dentist that has worked in my mouth, I recommend him to my friends. WM. SNOWDEN, JR.

### Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine, E. H. Wolfe, of Bear Grove, Iowa, cheated death. He Says: "Two years ago I had Kidney trouble, which caused me great pain, suffering and anxiety, but I took Electrec Bitterers, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand since, as I find they have no equal." The Swann-Day Lumber Co., merchants guarantee them at 50c.

### Raise a Flock of Turkeys.

Our farmers' wives could possibly make no better spend money this summer than by raising a small flock of turkeys, as they have been getting scarcer and higher every year for some time. By an observing city dealer it is claimed that at the present rate of decrease these succulent birds will be almost extinct in the United States within fifty years.

### Last Hope Vanished.

When leading physicians said that W. M. Smithart, of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. Kings New Discovery for consumption, Coughs and Colds kept him out of his grave. Strictly scientific cure for Coughs, Sore Throats or Colds; sure preventive of Pneumonia. Guaranteed 50c and \$1.00 bottles at Swann-Day Lbr. Co's store. Trial bottle free.

## BILIOUSNESS AND CONSTIPATION CURED BY THEDFORD'S BLACK-DRAUGHT

Because the liver is neglected people suffer with constipation, biliousness, headaches and fevers. Colds attack the lungs and contagious diseases take hold of the system. It is safe to say that if the liver were always kept in proper working order, illness would be almost unknown.

Thedford's Black-Draught is so successful in curing such sickness because it is without a rival as a liver regulator. This great family medicine is not a strong and drastic drug, but a mild and healthful laxative that cures constipation and may be taken by a mere child without possible harm.

The healthful action on the liver cures biliousness. It has an invigorating effect on the kidneys. Because the liver and kidneys do not work regularly, the poisonous acids along with the waste from the bowels get back into the blood and virulent contagion results.

Timely treatment with Thedford's Black-Draught removes the dangers which lurk in constipation, liver and kidney troubles, and will positively forestall the inroads of Bright's disease, for which disease in advanced stages there is no cure. Ask your dealer for a 25c. package of Thedford's Black-Draught.

Constipation is the rotting of undigested food in the alimentary tube. This festering, rotting mass makes bad blood, which makes bad health. Constipation causes most sickness. It probably causes your suffering.

Mull's Grape Tonic cures. It is not a physic or like anything else you have ever used. It is a tonic containing special properties of the grape which strengthens the digestive organs and enables them to do their work unaided and properly. No gripping. If it fails, your money will be returned.

We know that Mull's Grape Tonic will cure you and, therefore, will give you a large sample bottle of the great remedy, if you have never taken it. We only ask that you use the contents of the first bottle as directed. You don't obligate yourself to buy any of the remedy.
